

CURRICULUM VITAE of PROF. GIUSEPPE MARTUCCIELLO, MD
PAEDIATRIC SURGEON –MED 20 – DiNOGMI , UNIGE - GENOVA

Date of birth: December 20,1959

Place of birth: Genoa ,Italy

-EDUCATION AND PROFESSIONAL EXPERIENCES

1978-1982 Fellowship at the “Histochemical Human Department”
Institute of Anatomy –University of Genoa

1982-1983 Fellowship at the Department of Medical Pathology
February 21,1985 Graduated with Honours in Medicine and Surgery,
University of Genoa

1990 Italian Board of General Surgery

1995 Italian Board of Paediatric Surgery

From April 1, 1989 Stable Job as Registrar at the Department of Paediatric
Surgery of the Gaslini Children’s Hospital

From Jenuary, 1995 Stable Job as Consultant at the Department of Paediatric
Surgery of the Gaslini Children’s Hospital

1996 European Board of Paediatric Surgery

1997 Winner of the “Soave Scientific Prize”

From November 1,2000 Associated Professor of Paediatric Surgery, University of Genoa,
Gaslini Children’s Hospital

From November 3 2004 Director (Surgeon-in-Chief) of the Department of Paediatric
Surgery

to November 2, 2009 “San Matteo” Scientific Hospital, Pavia, Italy

From 3 November 2009 to present : Professor of Paediatric Surgery at the University of Genova-Italy
DiNOGMI (inside Maternal and Children Department),
At the same time Clinical and Surgical Activity
in Parma Hospital (Ospedale Maggiore)

FIELDS OF INTEREST

Gastrointestinal Malformations

Neonatal Malformations

Neuroblastoma

Hirschsprung’s Disease

Paediatric Surgical Oncology

STAGES AND ACTIVITIES AS VISITING PROFESSOR IN OTHER COUNTRIES

- Sick Children’s Hospital of London (UK)
- Our Lady’s Hospital for Sick Children -Dublin (Ireland)
- John Radcliffe Hospital di Oxford (UK)
- Bai Jerbai Wadia Hospital of Bombay (India)
- Università di Homburg (Germania)
- Università di Leeds (UK)
- Università di Rotterdam- Sofia Children’s Hospital

-SURGICAL ACTIVITIES

Participations of more than 10.000 paediatric surgical procedures. First operator in “ Major Surgical Procedures” (Pediatric Gastro-Intestinal Anomalies, Pediatric Surgical Oncology, Kasai operation, Hirschsprug’s Disease, Hernia, Gastroschisis, Apple Peel Intestinal Atresia, Oesophageal Atresia, Tracheo-oesophageal Cleft, Congenital Diaphragmatic Hernia, Anorectal Malformations, Cloacal Malformations, other complex malformations, etc....)

-SURGICAL ACTIVITIES IN ASIA and MIDDLE EAST COUNTRIES

I practiced pediatric surgery in The Wadia Children's Hospital of Bombay-India. I was there 2 times and I obtained a special permission from the Indian Ministry of Health.

I practiced as pediatric surgeon in the Umanitary Mission of the Italian Red Cross Field Hospital in Baghdad (Iraq) after the war (31 May-2 July, 2003)

-MEDICAL SOCIETIES

Member of the Italian Society of Paediatric Surgery

Member of the European Society of Paediatric Surgery

Overseas Member of the British Association of Paediatric Surgery Council (BAPS) 2002-2003

Member of the European Board of Paediatric Surgery

-EDITORIAL BOARDS

- 1994-2004 Journal Pediatric Surgery
- 1997 Annales of Surgery
- 2002 GUT
- 1997-2004 Pediatric Surgery International
- **2005-2012 European Journal of Pediatric Surgery**
(MEMBER of EDITORIAL BOARD)

-SCIENTIFIC PRODUCTION

Publications in English, Spanish, and Italian language.

Martucciello also published on : "Nature", "Nature Genetics", "Journal of Internal Medicine", "The New England Journal of Medicine", The Lancet, etc.....

Martucciello Impact Factor is about 300.

H- Index 46 (1996- 2010, from Scopus and Science Direct)

Total Publications	233
Total Monographs	15
Editor of one Monograph	1

23th July , 2012
